GREETING

April joins us from our Sherman Oaks location.

Do you have questions concerning your career or are you interested in learning about meeting your soulmate? Why do you keep repeating the same mistakes or encountering the same roadblocks in your life?

April has over twenty-five years of experience consulting on these matters and assisting her clients in gaining answers, confidence and self-worth. She specializes in general readings, forecasting upcoming life events, and evaluating interpersonal relationships.

She is a highly experienced Tarot reader utilizing the *Mythic Tarot*, the *Healing Power Of The Bird Kingdom Tarot*, the *Book Of Answers* and others. In addition to her natural intuitive gifts, she also may tap into information divined through the Runes and precious gemstones. A "bird whisperer," she has a strong connection to the animal kingdom and can assist you with any issues relating to our domesticated companions.

April's professional goal is to meet, meditate and connect with you to clear away anxiety & stress and to enlighten & assist you in developing your most positive higher self.
