DREAM ANALYSIS**

Tera discovered her abilities at a young age, and has seen and communicated with spirits since early childhood. Her abilities include Tarot Readings; Spirit/Spirit Guide Contact; Dream Interpretation; Seances, House Cleansing and Spell Consultations; Removal and Protection from Unwanted Entities; Guided Meditation; Channeling; Clairvoyance and Clairaudience.

Tera offers assistance with emotional healing and decision making, as well as honest advice on all areas of life, including love, career, family and finances. With a wide array of abilities, techniques and experience, Tera is able to offer a fresh, unique and positive outlook useful in identifying and resolving both current and potential problems.
