*"Wondering where your soul mate is? Wondering why you are deeply attracted to someone? Is the attraction from this life...or from another?"*

Ann Nichols has over twenty-five years of experience as a professional psychic reader, including several years at the Psychic Eye's former Woodland Hills location. She is an expert Tarot intuitive who is able to see into the future through her metaphysical tools and inborn natural abilities.

She was first introduced to the cards at a very early age, and was encouraged by her guides to use her gifts to assist others, and work with their individual truths in order to ensure & maintain happy, prosperous lives.

Ann is also a Certified Hypnotherapist through the renowned Hypnosis Motivation Institute, and specializes in past-life regressions through Hypnosis to explain the sometimes unexplainable karmic issues that affect us all. Under Hypnosis, Ann can take you back to specific times, including past-life meetings and bondings with soul mates. Within an hour session, she can take you on a journey that clarifies your relationships in this life.
