Melissa has always had a strong acuity for divination, and worked as a freelance reader for over ten years before joining the Psychic Eye family in 2015.

She identifies primarily as intuitive & empathic, and is often gifted with prophetic dreams. These abilities allow her to tune into both the spiritual world and the energies around her on the physical plane.

Melissa was initiated into ceremonial magick after studying the hidden sciences & mysteries for several years. She has a vast knowledge of metaphysics and the occult, including the tarot, Kabbalah, astrology, magick & ritual work, invocation, angel work, astral projection and alchemy.

She has a keen ability to guide & counsel others, and has attained much wisdom & knowledge both through her practical training & studies, and through many challenging & difficult life experiences that she has navigated and overcome.

Melissa's professional background includes experience at such notable venues as the Bodhi Tree and the Philosophical Research Center, and she has been deeply involved in the occult community for years.
