Michele St. John joins us from our Las Vegas/Silverado location.

A natural-born medium with Native American ancestry, Michele has been working as a professional psychic consultant in the southwestern states for the past thirty years.

Her primary tools are palmistry and cards, which she utilizes to connect with you on the physical plane. Energetically, she draws from her inborn clairvoyant and clairaudient abilities to further connect. As a medium, she is able to communicate with those in spirit who wish to be heard.

Michele is renowned among her clients and fellow readers as being highly accurate in her revelations of the hidden and unknown.
