Rachel Lee is a gifted clairvoyant, medium and Tarot reader, primarily using the *PsyCards*. A native of Toronto, Canada, she is of Russian, Irish and Ojibwe (First Nations) descent.

Rachel recognized her abilities at a very young age, when her animal guide (a white wolf) & other spirit guides made themselves known to her. These guides revealed her path as a healer and seer, and since then she has been spiritually counseling those in need, so that they can have their paths revealed to them too, for direction and clarity.

Rachel has also become a renowned pet psychic and animal communicator, another direct result of her close relationship to her animal spirit guides. She has had success with assisting to find lost pets and changing pets' behavior patterns, among other things.

She is also able to use her skills as a Reiki master on both people and pets.
